CARTAC Resumes In-Person Capacity Development Delivery!

We are pleased to report that CARTAC has resumed in-person CD delivery. In April 2022, we successfully executed missions to Turks and Caicos (Tax Policy and Administration); Guyana (Customs Administration) and Curaçao and St Maarten (Macroeconomics) – photo captioned below;

Our Advisers are keen on returning to the field and completing the work that has been taking place online for the past two years and we look forward to serving more of you in person over the coming months.
